

ROCKLIN CALIFORNIA

Resources for Persons with Developmental Disabilities

The City of Rocklin has prepared a list of various organizations focusing on the needs of Rocklin persons with developmental disabilities. These organizations provide support to individuals and families who have physical, learning, language, or behavioral impairment. These conditions begin before the age of 18, have an impact on daily life, and generally last throughout a person's life. **Additional resources are listed on page 2.**

About: Alta California Regional Center assists individuals with specific developmental disabilities and their families in accessing appropriate services so that every individual can live up to their highest potential.
