

Restore Rocklin Small Business, Hotel, and Restaurant FAQs

Where does this money come from?

In June 2022, the Rocklin City Council approved American Rescue Plan Act (ARPA) relief funds to support small businesses and non-profits in Rocklin. They selected Sierra Business Council to act as a third-party administrator of these funds. SBC will solicit and process applications, provide technical support, and maintain compliance with Federal guidelines.

How much funding is available through the Restore Rocklin Grant Program?

The City of Rocklin has allocated \$1.75 million in ARPA Relief Funds for Restore Rocklin Grants in the following categories:

- Restaurants, \$500,000
- Small businesses and hotels, \$750,000
- Nonprofits, \$500,000

What are the sizes of the awards?

Qualified businesses may receive funding to reimburse for revenue lost due to COVID-19 up to \$25,000 in a one-time payment dependent upon approval of application and availability of funds.

Will I need to pay the money back? Is this a grant program or a loan program?

This is a grant program, not a loan, so you will not need to pay the money back. The only exception is if you do not use all the funds, or if you do not use them in the manner stated on your application.

What can funds be spent on?

Grant funds may be used to offset or reimburse businesses for costs related to the negative impacts of COVID-19 that have not been covered by funds received from other COVID-related programs, including:

- General business operations
- Payroll expenses
- Supplier payments
- Rent, lease or mortgage payments for the business property
- Personal Protective Equipment (PPE) and/or sanitation supplies and equipment
- Investments in software or technology that allow for a shift to online operations
- Equipment purchases that expand and/or modify operations

Are funds allocated on a first-come, first-served basis for qualified applicants?

No. No applications will be considered until the application period has closed on February 24th, 2023, at 4:59 PM PST. Should the number of eligible applications received exceed the amount of funding available, a lottery will be performed.
